The Hoosier Day

By Frank A White

Forget Your Failures, Leave Troubles Behind

Dr. Norman Vincent Peale, pastor of the Marble Collegiate Church, New York City, whose broadcasts and writings are enjoyed by many Hoosiers, has this advice about forgetting those things which are behind.

"Forget your failures, forget your mistakes, your frustrations, your disappointments. Forget your hates and resentments and go ahead. If you don't forget these things, you will lug them with you and the load of them will slow you down, sap your energy. Enough of them will make you sick and take your life. You must forget."

The Indiana State Medical Association publishes a magazine that has one feature called "The Fourth Estate Looks At Medicine."

Doctors And God, Discussion Topic

It quotes from Dr. Elmer Hess, president of the American Medical Association, who said:

"Any doctor who lacks faith in the Supreme Being has no right to practice medicine."

Dr. Hess rebuked those who somehow take it for granted that medical science and spiritual beliefs are strangers. Actually, one complements the other, or should!

Dr. Hess said: "A physician who walks into a sickroom is not alone. He can only minister to the ailing person with the material tools of scientific medicine — his faith in a higher power does the rest. Our medical schools are doing a magnificent job of teaching scientific medicine. However, I'm afraid that the concentration on basic science is so great the teaching of spiritual values is almost neglected."

Commenting on this statement, the Memphis Commercial Appeal, a newspaper said: "Two of the greatest surgeons we have ever known not only had a complete faith in the existence of a Supreme Being, but were convinced utterly that human life had continuity reaching beyond the grave. Needless to say, they enriched the lives of all to whom they ministered.

"If the healing arts have divine origin, as we believe they do, every doctor is a healer of souls as well as bodies. He could scarcely be one without being the other."

Life Everlasting Paragraphs Sent

An unknown reader of the column of The Hoosier Day has sent along a couple of paragraphs entitled "Life Everlasting," written by an Author Unknown, and asked that they be reprinted here. They read:

"'I am standing upon the seashore. A ship at my side spreads her white sails to the morning breeze and starts for the blue ocean. She is an object of beauty and strength and I stand and watch her until, at length, she hangs like a speck of white cloud just where the sea and the sky come down to mingle with each other. Then someone at my side says: 'There, she's gone.'

State Court Justice Dies In Indianapolis

INDIANAPOLIS (AP) — Frank E. Gilkison, 77, chief justice of the Indiana Supreme Court, suffered a fatal heart attack in his hotel room today.

The judge was eating breakfast with his wife in the Continental Hotel when he was stricken.

He had been ill with a cold but had planned to go to his office today.

Judge Gilkison, a Republican, was elected to the court in 1944 and was its senior member.

He was a native of Washington, Ind., and was a former judge of the Martin-Daviess Circuit Court.

Under the Supreme Court's rotating plan, he became chief justice last November.

Disarmament Talks Open On Glum Note

Secret Meeting Between Five Nations Opens In London With Atmosphere Of Pessimism.

LONDON (AP) — Secret disarmament talks began among representatives of the United States, Russia, Britain, France and Canada in an atmosphere of pessimism today.

Hopes of an agreement were dampened by the Moscow radio's recent charge that the Western powers have already made the work of the parley ineffectual.

The five nations form a subcommittee of the United Nations Disarmament Commission. Previous talks ended in a stalemate last June.

Henry Cabot Lodge Jr., the chief U. S. delegate, was flanked at the conference table by Britain's Anthony Nutting, the chairman, and Norman Robertson, Canadian high commission in London.

Opposite, sat Russia's Andrei Gromyko and Jules Moch of France.

Nutting told the opening session at historic Lancaster House:

"All mankind will agree that there is no hope of attaining real and lasting peace without real all around disarmament. It is in this spirit that my government and I feel sure all our governments approach this renewed attempt to seek an agreement."

The Western powers have made known that they intend to counter Russia's Feb. 18 proposal for abolition of nuclear weapons with an all-around disarmament plan calling upon the U. S. S. R. and Red China to scale down their massive armed forces.

American officials said the United States stood behind the British-French plan for the eventual scrapping of all atomic and hydrogen weapons, but that it tied this in with step-by-step reductions in military manpower as well as conventional weapons.

The U. S. contribution to the program is a blueprint for an international control system with the powers to enforce disarmament measures on both sides of the Iron Curtain. The Russians have bitterly opposed opening their arsenals to outside inspection.

The Western Powers were pictured as agreed that this was the only formula which would allow them to meet the Kremlin's Feb. 18 call for abolition of nuclear weapon stocks.

"For us to throw away our atomic punch without firm agreement on reduction of other armaments," one Western official said, "would expose Europe and Asia to being overwhelmed by the huge Commu-

Phoney Payroll Check Is Cashed

Cashing of a fraudulent check here at the Uptown Tavern, 113 North Main, on February 18 was reported to Rushville police Thursday.

The $65 check was cashed by Hubert Sturgeon at the tavern for a man described as stockily built with greying black hair and wearing a tan leather jacket.

Police said the phoney payroll check purportedly was one on the United Motor Freight, Inc., of Paducah, Ky., and drawn on the First National Bank of Paducah. It was made payable to Lester Young.

After attempts were made by the tavern to cash the check, it was learned that both the firm and the bank are non-existent, police said.

Basham Is Arrested Here Third Time In Less Than A Week

A 22-year-old man of the Arlington community was arrested here Thursday for the third time in less than a week.

Ernest Basham was arrested at noon in the 100 block of West Second by Sheriff Robert May on a circuit court warrant charging child neglect.

Basham had been released from jail only Wednesday after paying fines and costs totaling $74.75 on two charges. He was arrested here Saturday night for improper motor vehicle registration and again Tuesday evening on an affidavit signed by his estranged wife, Frances, for disturbing the peace.

Expected Cold Fails To Materialize Here

The Weather Man's prediction of snow and colder temperatures failed to materalize today. He explained that the cold Canadian winds veered northward and missed Indiana.

Lowest temperature recorded here during the night was 28. It was 46 at 1 o'clock this afternoon, which equalled Thursday's highest reading.

The five-day weather outlook calls for readings in the mid-20s tonight and in the 40s Saturday. It will warm up Sunday and turn colder Monday with a possibility of rain Sunday.

$20 Tax Cut Bill Passes In House

Politically Hot Issue Decided By Narrow Margin Today; Proposes Cut By Next January 1.

WASHINGTON (AP) — The House today approved 210-205 a Democratic plan to cut income taxes $20 a person starting next Jan. 1.

On a roll call vote, the margin of five votes defeated a Republican move to knock the income tax cut out of a package bill which also would continue present corporation income and excise tax rates for one more year.

The roll call confirmed an earlier standing vote of 197-192.

The House moved quickly into another roll call on final passage of the combined bill. Approval seemed certain, although many Republicans fought the package on account of the income tax cut.

Sixteen Democrats joined 189 Republicans in support of the motion to kill the tax cut. Against it were 5 Republicans and 205 Democrats.

The politically hot issue was decided in the last few seconds of the roll call, after the first unofficial count showed the two sides neck-and-neck.

Then about eight members arose to switch their votes, and the Democrats forged ahead on the switches.

The Democratic bill would provide a $20 tax cut for each taxpayer and each of his dependents — $100 annually for a family of five. It would relieve about five million taxpayers with low incomes or large families from any federal income tax bill.

Democrats made this tax cut part of a package bill which also would continue present corporation income and excise tax rates for one more year.

Under present law the corporation rate is scheduled to drop from 52 to 47 per cent April 1. And on the same date excises are due to drop on automobiles, cigarettes, gasoline, liquor, beer and wine.

Continuing these rates would save almost three billion dollars a year in federal revenue. The income tax cut would cost about $2,200,000,000 over a full year.

In five hours of stormy debate Thursday, Republicans assaulted the tax cuts as "blackjacking . . . cheap politics . . . unpardonable irresponsibility." They said it would increase the federal deficit, already estimated at $2,400,000,000 for the year beginning July 1, and thus bring more inflation and higher prices.

But Democrats retorted that Republicans pushed through even bigger tax cuts last year when the estimated federal deficit was even bigger. They said the GOP tax program favored corporations and the wealthy, and their tax cut would restore "justice for the little fellow."

Producers Ass'n Has Meeting On Thursday

Dolph Crane, a voting delegate, and Hugh Morris, assistant Rush County agent, attended the 30th annual meeting of the Cincinnati Producers Association at the Netherland Plaza Hotel Thursday.

John M. Watts, president of the Association, stated that the Cincinnati Producers and its branch markets, marketed more than 31 million dollars worth of livestock in 1954. This represented 20,000 member patrons who own and control the association. The 1954 volume represented an increase of 30,000 head over 1953.

J. R. Kimber, manager of the association, stated that much of the progress in marketing must be attributed to co-operatives because of the effective competition they have brought into the market.

Red China Gains Another Bloodless Victory As Island Is Abandoned

TAIPEI, Formosa (AP)—Nationalist China today abandoned tiny Nanchishan to the Chinese Reds, giving the Communists another bloodless victory in their civil war.

The Defense Ministry said the evacuation was carried out without U.S. assistance and with no interference by the Reds.

The ministry refused to divulge the number of troops involved, but the garrison of regulars and guerrillas totaled perhaps 5,000.

A ministry spokesman said the island's fortifications were blown up before the withdrawal and all supplies and equipment were brought to Formosa.

The entire civilian population, a little more than 2,000, chose to leave rather than come under Red rule, the spokesman told a news conference. All arrived safely in Formosa.

Nationalist spokesmen insisted right up to the end that Nanchishan would be defended.

Nanchisan, 140 miles north of Formosa and 23 miles off the Red mainland, was the northern anchor of Chiang Kai-shek's chain of offshore island outposts.

Its loss followed by less than three weeks the evacuation of the Tachen Islands, 200 miles north of Formosa. The Tachens were surrendered without a fight after the Reds stormed and captured Yikiangshan, eight miles to the north.

The evacuation of Nanchishan rolled the civil war front southward to the Matsu complex, 100 miles northwest of Formosa and about 20 miles off the mainland. Besides the Matsus, the Nationalists hold only Quemoy Island outside the U. S.-protected Formosa defense zone, which includes Formosa and the nearby Pescadores.

The Matsus are opposite a Red port, Foochow, just as Quemoy is off Amoy, another Red port.

The Nationalists decided to abandon three-square-mile Nanchisan because of U.S. refusal to aid in its defense.

In the view of Washington officials, Nanchisan had strategic value to the Nationalists as a radar post from which to watch Red air and sea movements along the

Store Closing Starts Mar. 5

A majority of the downtown retail stores announced today that effective next Saturday night, March 5, they will be closed and that the stores will remain open on Friday nights instead.

The agreement was reached, it was understood, by the stores that close on Wednesday afternoon. These stores will still be closed Wednesday afternoon, but will remain open on Friday nights.

The Friday night schedule is fast becoming the order in most cities, in view of the fact that most factories pay their employes on Fridays.

Local merchants, for the most part, have reported for some time a gradual decline in Saturday night business. Each Saturday night there are dances and other entertainment provided in the clubs of the city, and the attendance at these events frequently cause the downtown streets to be almost deserted.

At least the stores that have decided to remain closed will give the plan a trial, and await what the results may be.

Paragon Bank Held Up For Second Time

MARTINSVILLE, Ind. (AP) — The Paragon branch of the Indiana Bank & Trust Co., of Martinsville was held up by an armed man at noon today.

The robber fled with an undetermined amount of money. State police set up road blocks.

The bank, in the town of Paragon, nine miles southwest of Martinsville, was robbed of $10,000 last November.

Joint Meeting Planned Thursday

The joint meeting of the Jackson, Washington, and Union Township Farm Bureaus will be held Thursday evening at 7:30 o'clock at the Ging School.

Devotions will be given by Fred Newkirk and special music will be provided by each township. The speaker will be Ralph Moore of the advertising department of the Indiana Farm Bureau.

Red Cross Fund Workers To Meet Monday Evening

Personnel for the local Red Cross fund and membership drive will attend a kick-off dinner meeting in the dining room of the Durbin Hotel Monday, at 6 p .m.

Reservations are now being made for the dinner at the hotel at $1.25 per plate and all reservations must be made by noon Monday, it was announced.

The dinner program will be the final meeting for all workers before the general drive begins on Tuesday. Workers are urged to be present to get final instructions and pick up materials to be used. Persons other than the personnel are invited to attend and make reservaions.

Special features are planned for the program including special music, talks, and a TV show. The Rev. Ernest Norquist, chairman of the 1955 campaign, will tell what Red Cross did for prisoners of war from his experience as a prisoner of the Japanese during the conflict in the Philippines.

A 15-minute TV Red Cross House-party show at 8:15 p. m. over WISH, Chanel 8, Indianapolis, will be viewed during the meeting. This will feature the do's and don'ts for solicitors and also reviews Red Cross activities for the year. The attention of all television viewers will be focused on Red Cross television shows during the early part of the campaign.

Some solicitors have already begun their drives. Mrs. Philip Willkie, chairman for advanced gifts, reports progress in contributions. Mrs. J. R. Kiplinger and Mrs. Quentin Emsweller, co-chairmen for the residential district, have their detailed plans worked out for the "housewives' fund." Precinct captains and their block workers are ready to call at homes Tuesday, between 6 and 7 p. m. The plea, "Will you please give to

House Okays Pay Increase Compromise

WASHINGTON (AP) — The House today approved without debate a compromise bill boosting the pay of members of Congress to $23,750 a year.

Its action sent the measure to the Senate.

The House passed the bill by unanimous consent after a clerk had read the adjjustments, worked out by a Senate-House committee between differing Senate and House bills.

The committee split the difference between $25,000 voted by the House, and $22,500 voted by the Senate. The present pay is $15,000.

The measure also carries pay arises of $7,500 to $10,000 for federal judges.

The $23,750 finally agreed upon actually will amount to somewhat more than that. It is split into a $22,500 basic salary and a $1,250 tax-free expense fund. The tax exemption feature means this allowance actually is worth more than $1,250. But this money may be used only to meet "excess" office expenses of the members, and will be paid on itemized voucher.

The bill does not disturb a $3,000 deduction for income tax purposes which members now may claim for the extra cost of living expenses in Washington.

The measure also includes a Senate provision which is a big benefit to many members of Congress. It would give them expenses for five trips to their home state each year, in addition to the present 20 cents a mile for one round trip each session.

Some members said this could mean as much as $2,500 a year to a senator or representative who lives on the West Coast.

German Predicts Rocket Travel

AKRON, Ohio (AP)—The German general who commanded the Nazi's rocket development center at Peenemunde in World War II Thursday night predicted passenger-carrying rockets within the next 15 years.

Dr. Walter R. Dronberger, addressing the Cleveland-Akron section of the American Rocket Society and Institute of Aeronautical Sciences, showed slides of plans for a 90-foot-long rocket weighing 300 tons with a passenger-carrying pod mounted piggy-back. He said one section would disengage after its fuel was exhausted at about 80,000 feet. The passenger pod them would tap its own power to ascend to 150,000 feet.

Cambridge City School Destroyed In Roaring $500,000 Blaze Today

Gym, Too, Destroyed By Fire, Junior High Addition Is Saved; Cause Of Blaze Not Known.

FIREMEN FROM SEVEN CITIES BATTLE BLAZE

CAMBRIDGE CITY, Ind. (AP) — Firemen from seven communities fought a roaring $500,000 blaze which destroyed the 30-year-old Cambridge City High School and gym early today.

A crashing roof and crumbling walls threatened firemen battling the blaze but there were no injuries except for one man who suffered a gash on a hand.

The fire is reported to have started in the biology room of the 20-room school but the cause was not determined. Firemen saved the 4-year-old 12-room junior high school addition.

Most of the financial and other records of the old building, which served 400 pupils, were saved by pupils, parents and teachers.

At one time, just as firemen thought they had the fire under control, they ran out of water and it started blazing again. A New Castle fire truck stuck in mud as it tried to reach one stream for water.

Fire companies from Richmond, New Castle, Hagerstown, Centerville, Connersville and Williamsburg aided the Cambridge City volunteers.

The Cambridge City basketball team lost all its team athletic equipment in the fire, including uniforms and basketballs for tonight's tourney game with Centerville. Cambridge City beat Boston last night 55-50.

On hearing their opponents had lost their uniforms, the Centerville team offered two sets of suits.

And the Richmond High School's team offered to outfit the entire team.

A Richmond sports shop also offered to supply the Cambridge team with all their requirements.

Reds Hope To Grow Corn In American Style

MOSCOW (AP) — The Communist party today called on its youth division to spearhead a vigorous campaign to grow corn in the American style.

This was in line with a speech by party chief Nikita S. Khrushchev last month praising American farming methods, particularly in planting more corn to feed livestock. Failure in the field of agriculture was one of the main reasons cited by Georgi M. Malenkov when he resigned as premier Feb. 8.

The appeal to young farmers was made by the Central Committee of the Young Communist League (Komsomol). It was described by Tass and published in all Soviet newspapers.

Western observers have expressed scepticism over the ability of Soviet agriculture to copy the American system of corn-hog production, due to climatic conditions in this country. The Komsomol appeal does not admit this difficulty, saying:

"Corn is truly a wonderful plant. . . . It grows excellently in the South of our land and also, under conditions, in the North."

The statement called on Komsomol members and other rural youth "to start actively growing corn in every corner of our country."

The appeal told young farmers to get together with leaders on collective and state farms to follow the best methods for increasing corn production. Among the specific methods advised was sowing corn in square fields to facilitate maximum mechanization. This approximates the American method and differs from the scattered strip method hitherto used widely in Russia.

First Candidate In Primary Race

City Councilman William Morgan, 325 North Perkins, entered the Republican race for the mayor nomination today when he filed his candidacy in the County Clerk's office.

Mr. Morgan is the first candidate to file for a city office in the primary election May 3.

Elected to the Council in 1951, Mr. Morgan is employed as an auto salesman by Rush County Motors, Inc., local Ford agency. He is married to the former Rosanna Lower, and they have two children, William Jr., and Rachel.

Toll Gate Evader Misses Prizes

CORPUS CHRISTI, Tex. (AP) — City officials and a large crowd waited at the toll gate to give the one-millionth driver across Padre Island Causeway some $500 in prizes.

The vehicle was sighted coming at a brisk speed. But suddenly, the driver wheeled his car around and scuttled back toward Corpus Christi.

It was obvious, the delegation of greeters said, the driver had just seen the $1 toll charge posted over the gate.

Mrs. Phil Marker, Corpus Christi, came along then and collected the prizes.

Elmer Morris, 92, Expires At Home

Elmer E. Morris, 92, a suicide victim, was found dead at his home, 310 East Sixth, shortly after 4 p.m. Thursday.

Mr. Morris had hanged himself in an upstairs closet, according to Dr. R. O. Kennedy, acting county coroner, who investigated in the absence of Dr. Robert Johnson, Rush County coroner.

Miss Hazel Morris discovered her father's body when she returned home from her teaching duties at the Mays school. A note left to his daughter stated that Mr. Morris was despondent because of ill health, Dr. Kennedy said. Mr. Morris had been in failing health for several months.

He was born November 3, 1862, in southern Illinois, a son of George and Charlotte Lefforge Morris.

A retired farmer, he had spent most of his life in Rush County and had lived in Rushville since 1920. Mr. Morris was a member of the Main Street Christian Church. His wife, Mrs. Fannie Williams Morris, died in 1917.

In addition to the daughter, Hazel, with whom he lived, he is survived by two sons, Roland of Bellevue, O., and Gilbert of Auburndale, Fla, one grandchild, four great-grandchildren; and a sister, Miss Georgia Morris, of North Manchester.

Funeral services will be held at 2 p.m. Saturday at the Moster and Sons Mortuary with the Revs. Frank G. Helme and M. O. Johnston in charge. Burial will be in East Hill Cemetery. Friends may call at the mortuary after 6 p.m. today.

Market Street Home Damaged By Flames

A West End residence was damaged by fire that broke out in an upstairs bedroom Friday morning.

The fire department was called to the home of Robert Enos, 1115 West Market, at 9:15 a.m., and fought the blaze for 50 minutes before bringing it under control.

The fire was confined to the bedroom, but there was considerable water damage in the lower floor of the house.

Cause of the fire was not determined immediately, Fire Chief James Brown said.

Editorial—

A Strange Deal

Some strange things are happening in labor relations, one of which has been announced by David Dubinsky, head of the international union for women's garment workers, and an unnamed employer.

This employer, whose relations with the union in the New York area have been good from the beginning, branched out into the South during the war because of worker shortages. In two communities he operated non-union. When union organizers moved into the communities, the townspeople chased them out.

Yet this manufacturer's contract with the union forbade him to operate a non-union shop. He could have been forced to close his southern outlets. So he appealed to Dubinsky for a settlement.

Dubinsky has accepted a $250,000 payment over a four-year period to "neutralize the saving in labor costs that the manufacturer enjoys from operating the two shops on a non-union basis in the South." Dubinsky says the payments to the union will be used for organizing and charitable purposes.

This seems to be quite an exercise of power by big labor which obtains dues from hinterland communities that do not want any unions. This particular arrangement is agreeable to both parties. But it could be an invitation to other labor leaders to effect variations of the policy and exact tribute by sheer power from unorganized segments of society.

Miscellany—

By Cy McIlwain

A group of Indiana farmers are now touring the "down under" lands of New Zealand and Australia and among the Hoosier farmers are Mr. and Mrs. Leonard Booth and their son, Joe Allen, of south of Rushville.

We have a clipping from the Christchurch, New Zealand, *Star-Sun* which features an interview with Mr. Booth and believe you will find it interesting. It goes like this:

"Whoo-ee! Whoo-ee! Piggy, piggy, piggy, piggy, piggy . . ."

The quiet of Christchurch going sedately about its business at 9:50 a. m. today was rudely shattered by this strange noise. It was the first time the city had ever resounded with the effort of a hog-caller from Rushville, Indiana, United States of America.

"I am no champeen hawg-caller," admitted 60-year-old Mr. W. Leonard Booth, one of thirty-four American farmers and their wives and sons who arrived in Christchurch by air during the night from Australia on the "Pacific Down-Under Study Tour" sponsored by the American Farm Bureau Federation.

Prevailed on by a reporter, Mr. Booth and his 16-year-old son, Joe A. Booth, left their hotel and gave a demonstration of hog-calling on the banks of the Avon beneath the Captain Scott statue.

Windows shot up, passers-by halted, and a bus swerved suddenly as the calls rang out. However, though it was possible the calls were heard far afield, there was no mad rush of swine to the river's edge.

Captain Scott looked on coldly.

Mr. Booth has a 600-acre "general purpose" farm in Rushville. He raises corn and hogs and fattens about five hundred hogs each season.

Joe A. Booth was wearing a windbreaker jacket with "Rushville, Indiana" in huge letters on the back, "Reporter" on the front. He explained that he reported farming activities and ball games (unpaid) for the local paper. He is still at high school but claimed that he had some Hereford cattle that could not be equalled in New Zealand.

Mr. Booth said he found Australians generally misinformed in that they thought all Americans rich. "I'll bet there are more poor people in America than in New Zealand," he said.

From Our Files—

FIFTEEN YEARS AGO
February 23, 1940

A wave of sickness over the county forced down January attendance marks in practically all township schools, according to the monthly report of Mrs. Margery Anderson, county attendance officer. Colds, flu, mumps and chicken pox were the leading causes for poor attendance. Glenwood School was the highest with 93.83 and Webb School was the lowest with 86.48.

John Wyman, 44, well known miller of Moscow, expired at the Major Hospital in Shelbyville yesterday afternoon. He had been seriously ill since January 5. The past ten years he had operated the Moscow Feed Mill and had come to this county from Washington County. His wife, Mrs. Austie Worley Wyman, three daughters and his parents of Pekin survive.

Mrs. Virginia Isaacs Welter, formerly of this city, is one of the large number of extra employes given work at the Greenfield post office during the sales period of the James Whitcomb Riley commemorative stamps.

Walter Eakins and Walter B. Keaton are attending the state wrestling ournament being held today and tomorrow at Indiana University, Bloomington.

THIRTY YEARS AGO
February 24, 1925

An emergency repair bill for the city hall building in Rushville was acted upon Monday afternoon at a special session of the city council, caused by the dangerous condition of the rear wall, which is in danger of collapse. The councilmen decided at the meeting to begin tearing down the south wall at once, and rebuild it to the roof.

The gymnasium at Shelbyville, which was one of the buildings inspected last Friday by the delegation from Rushville, represents one of the methods and types for a building that is under consideration for this city.

Mrs. Hattie Noah was a visitor in Indianapolis Monday.

Miss Helen Whitinger of Milroy visited over the week-end with friends in Greencastle.

FORTY-FIVE YEARS AGO
February 24, 1910

As had been expected for some time Mark Purcell of this city was elected county chairman by the Democrats.

Bush King yesterday received the highest price ever paid for hogs in this county except in time of war, and then figuring on comparative values, he has that record beaten. U. G. Beaver paid him $9.50 for a drove of hogs yesterday and they were shipped to the Indianapolis market this afternoon.

Mrs. John Hiner went to Homer this morning on account of the serious illness of her mother, Mrs. Rebecca True.

Miss Mary Harrold is suffering with a severe attack of bronchitis at her home on North Julian Street.

The World Today—

WASHINGTON (AP) — President Eisenhower's school aid plan, 17 days after he offered it to Congress, already looks like a wreck.

He produced it Feb. 8. He said 300,000 classrooms are needed and unless the federal government helps the states, the emergency will continue.

He suggested a three-year plan under which the government would give states and local communities 200 million dollars as a gift and 920 millions in loans.

In Congress, Democrats and some Republicans jumped on the plan. So did one educator after another. Summed up, this was the criticism:

The 200-million-dollar gift was far too small for school needs. And by the interest on its loans, the government would be making money at states' expense.

Under the plan, states would have to set up special agencies to handle the loans. But some states' constitutions forbid such an arrangement. The three-year plan would be too brief for some of those constitutions to be changed.

Some states would have to pass special legislation to get in on the program. Some other states right now don't know whether they could participate. About eight are in position to take advanage of the loan arrangement right now.

Powerful Democrats, particularly Sen. Hill of Alabama, are for dumping Eisenhower's proposal and substituting one which would give states not the 200-million-dollar gift suggested by the President over three years but one billion in two years.

And the segregation question was raised. Since the Supreme Court has banned segregation in public schools, should the government give any state money for new schools unless segregation in them is forbidden?

Then Thursday another development was leaked out but not by anyone in the Eisenhower administration. This was it:

In 1953, at Eisenhower's request, Congress set up a 25-man commission to study federal-state problems. To do the spade work, the commission set up 14 committees, including one on education.

That committee has 15 members, including Dr. Samuel M. Brownell, commissioner of the United States Office of Education in the Department of Health, Education and Welfare under Mrs. Oveta Culp Hobby.

She has testified in favor of Eisenhower's plan, which almost certainly was drawn up in Brownell's office or somewhere in Mrs. Hobby's department.

The commission committee on which Brownell served, it was learned Thursday, made a secret report last fall to the full, 25-man commission. The commission could endorse the report or ignore it and may have intended to do the latter. The report has not officially been made public.

What it said — contrary to the Eisenhower-Hobby endorsement of federal aid — was flatly this: Government money for school construction "is not necessary."

Sermon Topics For Lenten Season Given By Dr. N. G. Talbott

Dr. Norbert G. Talbott, minister of St. Paul's Methodist Church, announces that his sermons during the Lenten season will have a theme of "Viewing Life From the Mountain."

The sermons will be studies from the Sermon on the Mount, and are entitled: "Higher Standards," "More Than Play-Acting," "One Loyalty Demanded," "Common Sense As A Guide," and "A Hill Top Beacon."

For Palm Sunday, the sermon will be "The Final Test," and for Easter, "Victorious Living," based on Matthew 7:24.

The Thursday evening meetings at 7 o'clock will be "Some Religious Experience of Jesus."

The Junior High School Youth, at their meetings at 4:30 o'clock on Sundays, will be concerning "The Church," while the Senior High School Youth will have a series of studies on "The Story of Methodism" during the weeks to come.

HOOSIER DAY—

(Continued from Page One)

"Gone where? Gone from my sight — that's all. She is just as large in mast and hull and spar as she was when she left my side, and just as able to bear her load of living freight to the place of destination.

We Believe Where We Cannot See Now

"Her diminished size is in me, not in her; and just at the moment when someone at my side says: 'There, she's gone!', there are other eyes watching her coming, and other voices ready to take up the glad shout: 'There she comes!'

"And that is dying."

Public Official Now Sees Changed Thinking

Lieut. Gov. Harold W. Handley had the following remarks for veterans:

"As military weapons become more terrifying, and the possibility of the world's self destruction approaches the realm of a probability, should war again erupt, mankind is turning to the Deity as devoutly and hopefully as at any time since the great Crusades.

"Because of this clear-headed realization of what all wars have been, and because every veteran understands at least somewhat the total destruction that may be the quick result of the next war, the American veterans of today are the biggest force for peace that exists.

"And having faced death — or in every case having being prepared to face it — American veterans are today solemnly religious men. They know that the fate of the world is now beyond human hands, no matter how wise and sane man tries to be.

"For too long a time many people and many nations have been paying lip service to God. We have implored his aid when we wanted something, but we have neglected reverence the rest of the time."

Cicero said: "No one could ever meet death for his country without the hope of immortality."

Second Atomic Sub To Be Launched Soon

WASHINGTON (AP)—The nation's second nuclear submarine, the Sea Wolf, probably will be launched within the next two or three months.

The sister of the 3,000-ton Nautilus — but with improvements in design and an atomic engine of different type — has been building since June 1953.

On the basis of time required for building the first hull, the Sea Wolf apparently will be scheduled to go down the ways at the Electric Boat Division of General Dynamics Corp. at New London, Conn., sometime in May.

coast. It has considerable psychological value to the Reds as a place to be exploited as evidence of Communist invincibility in the Far East.

Even while pulling out of Nanchisan, the Nationalists maintained the tempo of their air strikes in the area.

Official reports said Nationalist warplanes Thursday night sank four Communist vessels between Nanchisan and the Tachens. Other planes bombed Red-held Peilungshan, 12½ miles north of Nanchishan.

Col. Hsiung Eng-teh, Defense Ministry spokesman, told the news conference the evacuation of Nanchisan was planned at the same time as the Tachen pullout. The plan was kept secret, he said, for security reasons.

Cost Of Living Unchanged In Past Two Months

WASHINGTON (AP) — The government reported today that living costs were unchanged in January from December.

There were slight increases in the cost of food and some other items but these rises were balanced by drops in prices of clothing and house furnishings during January sales.

The Bureau of Labor Statistics said its January index remained at the December level of 114.3. This is a fraction of 11 per cent below January 1954 and 1 per cent under the October 1953 living cost peak.

There was insufficient change in the index to require any pay adjustment for about one million workers in the auto and aircraft industries whose pay rates are geared to the index by union contracts.

This would have been the last time quarterly living cost pay adjustments would have been possible under major five-year auto industry contracts which begin to expire at the end of May.

Mrs. Aryness Joy Wickens, acting labor statistics commissioner, said the consumer price situation continues to reffect considerable stability.

She reported that, with wages rising somewhat, the average factory worker is faring better under the stabilized price situation to the tune of better than $2 a week in net spendable earnings.

HOUSE OKAYS–

(Continued from Page One)

Backers of the bill said the salary fixed for members of Congress would restore their purchasing power to about what it was in 1939 when they got $10,000.

The over-all cost of the pay increases was estimated at about seven million dollars a year.

Meanwhile, the Senate Post Office and Civil Service Committee voted Thursday to give the 500,000 postal employes a 10 per cent pay hike, well above Eisenhower's recommendation.

The President asked 5 per cent for each worker, with higher benefits for top-grade employes to make it an average of 6½ per cent.

Big third quarters proved key points in both of Thursday night's Sectional struggles here. Forty-two points rattled through the hoop in the third canto in each game.

Morton's 30 against Arlington was only five more than New Salem managed in the third period against Manilla. Both games had been close affairs until they were broken wide open in that third quarter.

Greensburg, playing wihtout suspended star Jim Huber, apparently didn't feel his absence as the Pirates rolled up a gym scoring record in disposing of Clarksburg by 88-49. Harold Smith shot in 38 points for a Pirate scoring record. Huber was put off the team indefinitely for his failure to return from Seymour with the rest of the team after a game there last week.

Martinsville became the first South Central team to bow out in tourney play when Mooresville repeated an early season win over the Artesians by 77-74. Orange gave Connersville some uneasy moments early in the game when the Tigers had a 7-6 first quarter lead over the mighty Spartans. However, Connersville got in front 32-18 at the half and won out by 68-33.

All-Rushville selections, as named by you fans, appeared Thursday in the Indianapolis News. Lest you missed it, here they are:

First Team	Pos.	Second Team
Jack Cross '51	F	Juck Stewart '23
Sam Young '41	F	Max Pearsey '41
Bill Cruse '34	C	Joe Lakin '25
Tony Sharpe '35	G	Mel Sharpe '41
B. Bradley '45	G	Del. Wilkison '32

Other top vote getters in the balloting by you fans were Havie Frazee, Gordon Arbuckle, Earl McNamara, Bill Burton, Con Oster, Dick Byrne, Punk Levi, Joe Kennedy, Joe Beard, Buford Taylor and George Adams. Seventy-three athletes of past and present were nominated for the team. Jack Cross was the leading vote-getter and was on every ballot except one. Bill Bradley was next high when the ballots were tallied.

Thanks to all fans for their help in selecting this all-time Rushville team. Incidentally, we've already heard numerous gripes about why so-and-so was left off. However, as pointed out last week, the selections were made by you fans and not the sports editor.

The competition is the keenest in the history of this newspaper's Pick-The-Winner contests, and only a few of the many contestants have erred in naming the winners in the tourney's first four games.

The New Salem-Manilla game tripped up 11 fans who picked the Owls to win out in an upset. Several also selected Arlington to dump Morton.

Many fans came very close in guessing the score of the Eagle-Owl game. For the first time in contest history, two fans were exactly right in predicting the score of the same game. Lillian Kehl, Connersville, Route 1, and Edward Lushell, Rushville, both had the Eagles winning by 59-50. Earlier in the contest, James R. Evans correctly predicted a 56-54 score for the Carthage-Mays game. That should show you how keen the competition for the picking champion is this year.

Boyce Wood, Rushville, was only one point off on the Eagle-Owl game with a 58-50 prediction. Two points away were Raymond Kennedy, Carthage, 60-51; and Mrs. Floyd Redden, Route 4, 58-49. Right behind them were Allyn Gorrell, Rushville, 62-49; Bob Self, Rushville, 56-49; Helen Jackson, Mays, 57-52; Walter Graham, Rushville, 55-51; Myron Trowbridge, Carthage, Route 2, 63-49; Don Jackson, Mays, 60-45; Roy Jackson, Mays, 54-51; Earl Martin, Rushville, 63-48; Sheriff Bob May, 62-47; Colleen Lushell, Rushville, 64-49; James Sizemore, Rushville, 54-51; and Don Lloyd, Rushville, 58-45: Others who missed the game's final margin by ten points or less include Bob Conway, Delbert Frazier, Charles Stevens of Glenwood, Eric Alan George, George Pond, Mike Naylor, Melvin Sharpe, Robert Buchanan, Dick Pea, Dave Ritchie, William Paugh, Bud DeBaun, Dale Lacy, Billy Long, Bill Self, Butchie Bowling, N. W. Alexander, Charlotte Wood and, Larry LeClerc.

Most fans were much farther off on the score of the Morton-Arlington tussle. Only four missed by ten points or less. Merle V. Stout of Arlington was best with a 74-69 prediction. Then came Robert Gordon, Route 7, 71-60; and James Sizemore, 69-62. Lynn Edwards, Route 5, had it 67-62. Others fairly close were Mrs. Gladys Butler, Route 3, 67-61; Walter Graham, 68-59; Sue Ann Greenwood, Route 1, Lewisville, 68-56; Eric George, 64-60; Mike Naylor, 66-58; John Harding, Milroy, 67-58; James R. Evans, 67-60; Carol Ann Kirkpatrick, Route 6, 65-59; Don Lloyd, 70-54; Otis Rankin, 63-60; Dick Risk, 65-60, and Don Jackson, 74-53.

Morton's Tigers compiled the best shooting average iin Thursday night's games. The Tigers fired in 31 fielders in 82 attempts for a fine .378 average. Arlington, too, shot frequently but with not as much success. The Wildcats tried 80 and hit 22 for .275.

New Salem connected for 21 in 62 attempts for .338. Manilla tried 12 more shots but hit only 19 for .257.

Tourney officiating has generally been good and the refs have not drawn too many bronx cheers. Their inconsistency, however, such as calling them loose in one half and close the next, may make trouble ere the firing stops Saturday night.

Against Manilla Thursday, the refs called only one personal in the entire first half, then whistled 16 of them in the last 16 minutes. New Salem had five at the end of the half and 18 at the game's end.

REBOUND FOR SALEM — Bill Stone clutches rebound in Manilla-New Salem game Thursday. Steve Fletcher and Bernard Leising are also up in the air. Others include Harry Winton (22) left, and Russell Combs at the right.

New Salem 59, Manilla 50

New Salem and Morton Memorial moved into the semi-final round of the Sectional Tourney here last night, beating back upset bids offered by Manilla and Arlington teams.

Both victors used big third quarters to submerge the underdogs. New Salem downed the Owls by a 59-50 margin while Morton's county champs opened tourney action with an impressive offensive show, whipping Arlington 75-64.

Tonight's tourney games will pit Morristown and Raleigh in the opener at 7 p. m. while Rushville and Carthage clash in the second affair. New Salem will meet Morton in the first semi-final game. Saturday afternoon at 1 p. m.

New Salem's Eagles were forced all of the way by Manilla in a hard-fought opener. The score was tied six times in the game and the lead swapped hands on 13 occasions.

The outcome was still in doubt as late as two minutes to go when the Eagles led by only 54-50. Manilla, however, could find the range on only two of 11 free ones in the final period and watched the Eagles stuff in eight of 14 to wrap it up.

Manilla led by 15-12 at the first stop and the Owls maintained the halftime margin at 23-20. Both teams then fired at will in a wild, free-scoring third quarter. Bill Stone connected for half of his 18 points in the period to lead the Eagles to a 45-40 margin.

Free throws by Russell Combs and Stone increased the margin to 49-40 as the final period got started. Midway in the period it was 54-44 before Manilla launched a game-end comeback. Harry Winton scored under the goal and Gene Wagoner left-handed in a long one. Free ones made it 54-50 with two to go. Manilla then went scoreless from the field and foul line while Dick Colter and Stone iced it with five between them.

Although heavily taped, New Salem Star Dick Goddard, who was hurt in the season finale, played the entire game until fouling out late in the final quarter. He had ten points. Bernard Leising hit for 14 and had a good floor game.

Although he scored only eight points, all in the third quarter, Don Whittle, Owl soph center, shone for his team. Whittle turned in a splendid defensive performance. Manilla got 13 points from dependable Harry Winton and Gene Wagoner had nine. Steve Fletcher, a junior, shot in 11 and had a good all-around game.

TWO FOR ARLINGTON — Eddie Ronan (55) shoots over outstretched hand of Bob Hull in Wildcat-Morton game Thursday. Watching tensely are Ralph Kramer, Jim Hart, Bill Sunman and George Long.

Morton 75, Arlington 64

Morton turned on its fast break offense in the third quarter to bury Arlington under a 30-point outburst. The contest had been nip and tuck until then.

The Wildcats led several times in the first period before Morton edged ahead at 17-13. The Tigers then led throughout the second period by from four to six points and the half closed at 30-26.

Morton cashed in on 15 fielders in 26 attempts in the third quarter show. After three minutes, it was 40-30 and midway the count was 44-34. The Tigers then steadily and swiftly pulled away. Tim Brown drove through the Arlington defense for all of his seven fielders in the quarter. All of Morton's points came from the field and it was 60-38 at the buzzer.

Although they made a valiant fourth period effort, Arlington was too far back to seriously threaten the Morton lead. When the teams hit the three minute mark it was 70-55. The Wildcats scored 26 in the final eight minutes, with Lawrence Parks getting all of his 12 in the quarter. Eddie Ronan contributed ten to the rally.

Ronan grabbed the game's scoring honors with 20 while Brown had 19. Dick Paige hit for 18, most at long range. Bill Sunman helped hold the Arlington team up with a good job of rebounding, especially in the first half.

No Major Upsets In Thursday's Action; Nine Defending Champs Out

(*By The Associated Press*)

A couple of Rileys were the spotlighted teams today, approximately half way through the first act of the 45th Indiana high school basketball tournament.

South Bend Riley cut down South Bend Washington's favorites Thursday night in the St. Joseph County sectional, 71-51, after losing to Washington during the regular season, 71-59.

The 324 teams sent home in the first two days of the tourney included nine defending sectional champions, seven former state champions and three teams ranked among the top 16 in the final Associated Press poll.

South Bend Washington, the Eastern Division champion in the Northern Conference, had tied with Lafayette for No. 15 rating. Hammond Noll, No. 13, lost Thursday night to Hammond, No. 5, 73-65.

Except for Riley's upset of Washington, there were no form reversals Thursday comparable to Holland's defeat of No. 3-ranked Jasper Wednesday night.

Bedford, which won only three scheduled games, beat old rival Mitchell, the Southeastern Conference champion, 46-42. Mitchell had defeated the Stonecutters but only three ponits on each occasion.

The three sectional champs retired Thursday, along with six previously eliminated, were Martinsville by Mooresville, 77-74; Fort Branch by Princeton in an overtime, 39-38, and Lebanon by Thorntown in a meeting of former state champs, 64-57.

Evansville Bosse was the other former state titlist beaten Thursday, losing to Evansville Reitz, 52-49. South Bend Central, Jasper, Hammond Tech and Coal Creek, the successor to Wingate, were eliminated Wednesday.

Spartans Down Orange, 68-33

Orange's Tigers were defeated, 68-33, by Connersville last night in their first sectional game.

Coach Byron Smith's county line netters played the Spartans on even terms during the first quarter and held a 7-6 lead at the end of that period.

Larry Alexander, Connersville ace, then hit four quick buckets in the second stanza to send the Spartans on their way. It was 32-18 for Connersville at the half and 51-25 at the third stop.

After having been assigned to the Rushville sectional for several years, Orange was sent to the Connersville meet this year and drew the host Spartans as its first engagement.

FRANCIS DAVID

In 1510 Francis David was born in Transylvania, the only part of Hungary not under the rule of the Turks. He studied for the priesthood during the turbulent years of the Reformation and being attracted by its issues and ideas, left the Catholic Church to become first a Lutheran and later a Calvinist.

In the Bible, so recently translated from Latin into the languages of the people in England, Germany and Hungary, David could find no proof of the deity of Christ. He taught therefore that men should follow the teachings of Jesus, not worship him; men should worship God alone, for He is one. The heart of religious controversy in Transylvania revolved around this question as to whether men should worship Jesus. David became the founder and first Bishop of the Unitarian Church of Transylvania.

To settle this controversy, King John Sigismund called The Diet of Torda in 1568. He summoned representatives of the four religions of his land, Roman Catholic, Lutheran, Calvinist, and Unitarian to present their points of view in debate that he might judge between them. David, instead of asking that Unitarianism be the only recognized religion of the state, pleaded for the religious toleration of all faiths. King John was greatly impressed and issued an Edict of Religious Toleration, that no man might be persecuted for his beliefs. Thus Transylvania became the first land of religious freedom in the western world.

10:30 a. m. Morning Worship.

Special number by choir: "The Master's Way", directed by Idean Logan.

Sermon and Communion.

6:00 p. m. Youth Groups.

Christians are to proclaim the gospel to all people everywhere regardless of race or color. It is of God's making and it is perfect. It is our task to carry this message to all. Why not come to church, that we might study the word together that we may be better fitted to go out and help others.

First Baptist

John R. Elliott, pastor.

600 North Morgan Street.

9:30 a.m. Sunday Church School.

Gene Edwards, Sunday School superintendent.

Mrs. James McKay, children's superintendent.

Lesson Topic: "The Church Proclaims the Gospel."

Morning worship 10.45 a. m.

Sermon: "Helping Others Walk."

This is America For Christ Sunday in American Baptist churches across the nation. This Sunday is set aside for us to give serious consideration to "Home Mission" work carried on through our schools, colleges, seminaries, Christian Centers, mission stations among the Indians and mission stations in Alaska, Haiti, Puerto Rico.

5:45 p. m. Baptist Youth Fellowship.

7:00 p.m. Evening Worship.

Sermon: "Right Living in the Home."

LEGAL RESTRAINT

FORT WAYNE, Ind. (AP) — Fred C. Ward got a Superior Court order restraining his first wife, Erma, from telling his second wife, Marie, about her marriage to Ward. Wasn't complimentary, Ward said.

Featured Soloist With Symphony

Pianist Artur Rubinstein, above, considered America's foremost classical music box office attraction, will be soloist with Dr. Fabien Sevitzky and the Indianapolis Symphony Orchestra in the 10th pair of subscription concerts at the Murat Theatre Saturday night and Sunday afternoon February 26-27.

This will be Rubinstein's eighth appearance with the Indianapolis Symphony Orchestra which is far more than any other artist. He will be playing the Tchaikovsky Piano Concerto No. 1 which he has played with the orchestra on two earlier occasions.

The concerto is one of the most melodic of all piano compositions, and this, combined with Rubinstein's popularity, is expected to attract the largest crowd of the season.

Adding to the popularity of the program, the orchestra will be featured in the Sibelius Symphony No. 2. Also to be heard is the Euphrosyne Overture by Converse.

The Saturday night concert begins at 8:30 with the Sunday afternoon concert at 3, and tickets at $3.75, $3.00, $2.50, $1.75 and $1.25 are available at the symphony office, Murat Theatre, Me. 5-9596.

Toothpaste filled most of the billion collapsible metal tubes made in the United States last year, although many other products like adhesives and wood fillers were sold in such containers.

These Changes are a Result of Your Requests
That Stores Be Open Friday Nights in Rushville.

Shop Friday Nights

We Believe . . .

1. That we can better serve our customers in this community by adopting these new store hours.
2. That the people of this shopping area who receive their checks on Friday will appreciate Friday night store hours.
3. Because our farmer friends have indicated to us that modern transportation brings them to Rushville in a few minutes time, this adjustment in store hours will meet with their approval.

Orange Township Club

The Merry Martha Home Demonstration Club of Orange Township met Wednesday at the Gowdy Methodist Church Annex. The twenty-third anniversary of the club was observed.

A pitch in dinner was enjoyed at noon by twenty-four members and the following guests, Mrs. Harold Wagoner, Mrs. Max Hungerford and daughters and Mrs. Will Roth.

Mrs. Hubert Peck, Mrs. Lawrence Krammes and Mrs. Jesse Hungerford were the hostesses and patriotic colors predominated in the decorations. A large cake in honor of the anniversary centered the table.

During the afternoon program Mrs. Peck gave the devotions and Mrs. Ralph Gosnell gave the history of the song, "Battle Hymn of the Republic," and then led the group in singing it.

Following the United States Flag Salute Mrs. Harry Spaulding, a charter member, gave the history and read the list of presidents down through the years.

Mrs. Iden Hungerford, president, led the business and discussion periods when program planning was the lesson. The singing of "America" dismissed the session.

The next meeting will be at the Club Cafe in Milroy with Mrs. Frank Roth as the hostess.

* * * *

Baptist Crusaders

The Crusaders Class of the First Baptist Church met Wednesday evening in the church basement. The class song, "Unto My Heart," opened the session and the devotions were given by Donald Banks.

Mrs. Banks, vice president, presided at the business meeting. Mr. and Mrs. Wyman Walk presented the program. Following the dismissal prayer by Mrs. John Elliot refreshments were served by Mrs. Gladys Kunz and Mrs. Iola Wilder to eleven adults and three children.

* * * *

V. F. W. Auxiliary

The Ladies Auxiliary to the V. F. W. met in regular session on Thursday evening with President Sarah Wilson presiding. Mrs. Josephine Pea, Civil Defense chairman, was in charge of the program. Pat Todd, Civil Defense director of Rush County, spoke on "Civil Defense." A contribution was made to Crusade For Freedom. A social time followed.

* * * *

Needlework Club Meets

Twenty-two members of the Needlework Club met at the home of Mrs. Loa Heck Wednesday afternoon. There were also six guests and several children present for the games and social afternoon. Delicious refreshments were served. The next meeting will be March 9 with Mrs. Ruth Hill.

* * * *

Wedding Anniversary

Mr. and Mrs. Charles E. Wicker will quietly observe their sixtieth wedding anniversary Sunday at their home in Arlington with a family dinner. The couple has seven children, 20 grandchildren and ten great-grandchildren.

* * * *

Kappa Kappa Gamma Club

Members unable to attend the Kappa Kappa Gamma Club meeting Tuesday evening at 6:30 o'clock at the home of Mrs. William F. Moster are to notify the hostess. Members are also to note the change in meeting place.

* * * *

Fortnightly Study Club

Members of the Fortnighly Study Club will have a meeting Tuesday evening at 7:45 o'clock at the home of Mrs. Sam Anderson. Mrs. Irl G. Burkher will provide the program.

* * * *

Psi Iota Xi

Members of Psi Xi Iota Sorority will have a social meeting Monday evening at 7:45 o'clock at the home of Mrs. Omer Warneke.

Hannegan Aid Society

The Aid Society of the Hannegan Christian Church met Thursday afternoon at the home of Mrs. Richard James with Mrs. Thomas Webster as the assisting hostess.

The group sang "In My Heart There Rings A Melody" and Bible verses containing the word heart were used for the response. Mrs. Maurice Newhouse gave the devotions on the theme of brotherhood.

Plans were made to meet March 24 to clean the church in preparation for the revival that starts March 27.

During the social period Mrs. Clarence Ruby conducted a short program of contests and the making of old fashioned valentines. Refreshments were served to eighteen members, one guest and eleven children.

The March meeting will be an all day affair, with Mrs. Clarence Dyer.

* * * *

Main Street Class

Thirty-three members of the Edith Waggener Class of the Main Street Christian Church and two guests were entertained Thursday evening at the home of Mrs. Cornelia Beher.

The session opened with a song and prayer and the president, Mrs. James Brown, conducted the brief business period. Mrs. Maude Porter, program chairman, presented Mrs. Waggener who gave three interesting short stories.

Following a clever contest the session closed with a song and the class benediction. Refreshments were served by the hostess and Mrs. Porter, Mrs. Chloa Dearinger, Mrs. Lorene Nipp, Mrs. Vera Hinchman, Mrs. Luva McBride, Mrs. Myra Oldham, Mrs. Helen Cooper and Miss Ellen Worsham.

25th Anniversary Of BPW Federation Marked This Year

This year marks the twenty-fifth anniversary of the founding of the International Federation of Business and Professional Women.

Dr. Lena Madesin Phillips, founder president, with some of the leaders from other countries, brought the International Federation into being in 1930 in Geneva, Switzerland.

Today there are more than 350,000 members in 20 National Federations in Australia, Austria, Belgium, Canada, Cuba, Denmark, Finland, France, Germany, Holland, Italy, New Zealand, Norway, Philippines, Rhodesia, South Africa, Sweden, Switzerland, Great Britain and the United States. There are also associated clubs in Greece and Mexico.

The International Federation encourages women to meet their responsibilities as citizens, urges improved standards of training and seeks new opportunities for women in business and professional fields.

The Federation has promoted understanding between business and professional women of different countries in a very practical way. Convinced that such understanding is necessary if we are to build toward lasting peace with freedom and justice, a "World Friendship Fund" was established four years ago as part of the International Relations program.

This fund is used to assist any business and professional women coming to the United States and the fund is made possible only through voluntary contributions.

The Silver Jubilee, commemorating the founding of the International Federation, will be held this summer in Geneva, Switzerland. Miss Sally Butler of Indianapolis is a former president.

Girl Scout News

Brownie Troop 17 met Wednesday after school at the home of their leader, Mrs. Whitacre. The group occupied the most of the time with handicraft work and refreshments were served by Avonelle Chance, Alberta May and Karen Miller.

Members of Troop 13 met Wednesday after school with their leader, Mrs. Norman W. Alexander. Following the usual opening announcements concerning the activities during Girl Scout Week were made. Mrs. R. Bruce Golightly gave a demonstration and talk on "First Aid." The usual ritual closed the meeting.

Chop anchovy fillets and add them to a meatless tomato spaghetti sauce that is homemade or ready-prepared. Gives piquant flavor!

Britain Continues To Battle Weather

LONDON (AP)—Snow and freezing weather snarled traffic in Britain and many parts of Europe today. Two persons died of exposure in Britain and two in Austria. Northern England was hardest hit with blizzards blocking many roads and marooning cars, buses and trucks.
